Pub Date :2004-09-01 Pages: 2004 Publisher: West Beigong basic information the title: sheet metal forming the basis of original price: 16 yuan Author: Jianjun. Zhou Weixian Publisher: West the Beigong publication date: 2004-9-1 ISBN: 9787561217955 Words: Page :2004-08-01 Edition: Binding: Folio: Product ID: 300302 Editor's Summary This book systematically expounded the basic theory and practical application of the formability of sheet metal. The book is divided into seven chapters. its main contents include heterosexual phenomenon plastic sheet. plastic heterosexual theory and applications. sheet the change resistance curve equation sheet instability and ultimate strain stretch material parameters identification in forming process control. simulation of sheet metal formability test methods. the formability evaluation parameters typical forming process affect qualitative and quantitative analysis. as well as sheet metal stamping parts formability the reverse analysis simulation method and its application. Compared with similar books. this book is characterized by a systematic. quantitative calculation. in particular. new research results. combined with practical application. This book is for the engineering and technical personnel engaged in the production of sheet metal material and sheet metal products manufacturing. scientific research. write. also can be used as the tertiary institutions. teaching professional. Contents Chapter 1 Overview The sheet formability plate metal forming the stress and strain of the mechanical properties of heterosexual Analysis Chapter 2 sheet plastic heterosexual theory TC1 titanium plate Hill the heterosexual yield criterion and its simplified anisotropic material in the form of surface stress . Chapter 3 of the strain state of deformation of the sheet resistance curve unidirectional tensile test material deformation resistance curve equation of the category and preferred orthotropic the titanium plates generalized deformation resistance curve equation Chapter 4 sheet metal forming limit...
